

CODEMARK™

PRODUCT CERTIFICATE

**BUREAU
VERITAS**

This is to certify that

EcoKrete®

Complies with the New Zealand Building Code (NZBC):

If designed, used, installed and maintained in accordance with the scope of this certificate, the above mentioned product will meet or contribute to meeting the following provisions of the NZBC:

Structure B1.3.1, B1.3.2, B1.3.3 (a, b, f, g, h, j) B 1.3.4

Durability B2.3.1 (a)

External Moisture E2.3.2

Internal Moisture E3.3.1

Hazardous Building Materials F2.3.1

Energy Efficiency H1.3.3

Subject to the following conditions and limitations

1. All members using EcoKrete® must be specifically designed in accordance with B1/VM1 by a Chartered Professional Engineer (Structural).
2. EcoKrete® must be poured within 60 mins after its preparation is completed.
3. Finished structural and non-structural members subject to water ingress shall be coated with EQUUS Chevaline Coverflexx to protect the member(s). The minimum film thickness of Coverflexx is 130 microns.
4. This certificate shall only be used to construct structural and non-structural members (cast in-situ and precast wall panels, roof panels, beams and slabs) for residential and commercial buildings manufactured by ACCO Building Ltd.

Product description

EcoKrete® is aerated concrete mix produced through the addition of proprietary foam to a certified concrete mix.

Product purpose or use

EcoKrete® is designed to be used to construct structural and non-structural members (cast in-situ and precast wall panels, roof panels, beams and slabs) for residential and commercial buildings.

- This certificate is issued by an independent certification body accredited by JAS-ANZ, the product certification body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment under the Building Act 2004. The Ministry does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificates conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product. The Ministry disclaims to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate.
- The certificate holder must maintain compliance with the conditions set out in section 15 of the Building (Product Certification) Regulations 2008. This certificate may only be reproduced in its entirety. It is advised to check that this certificate is currently valid and not withdrawn or suspended by referring to the Register of Product Certificates on the Building Performance website <http://www.building.govt.nz>.
