www.jas-anz.org/register

Product description

Frame Protection System Ltd.'s Frame Protection System products (FPS®) comprise:

- Eurotop N15 (115 gsm 3-layered PP cloth)
- Eurotop N35 (135 gsm 3-layered PP cloth)
- Eurotop S4 (155 gsm 3-layered PP cloth)
- Eurotop S65 (165 gsm 3-layered PP cloth)
- Eurotop S215 (215 gsm 3-layered PP cloth)
- Eurotop S265 (265 gsm 3-layered PP cloth)
- Eurotop ACTIV 110V (110 2-layered PP cloth)
- Euroband S, P, DS and Butylband tapes, together with integral components described in the technical, installation & quality documents.

Product purpose or use

Frame Protection System Ltd.'s 'FPS® Weathertight™ System' is a comprehensive roof and wall underlay system for timber and steel frame, panel and prefab building elements, providing both interim and permanent weather protection plus moisture control within a wall or roof cavity, that allows interior building work to proceed to completion before the roof and wall claddings are installed.

Certificate Number

This certificate is issued by an independent certification body accredited by the product certification accreditation body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment (MBIE) under the Building Act 2004. MBIE does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificate conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product. MBIE disclaims, to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate.
