PRODUCT CERTIFICATE

This is to certify that

Novabond F.C. 200

Complies with the New Zealand Building Code (NZBC):

If designed, used, installed and maintained in accordance with the scope of this certificate, the above mentioned product will meet or contribute to meeting the following provisions of the NZBC:

Durability B2.3.1 (a), B2.3.2 (a)

External Moisture E2.3.3, E2.3.7

Hazardous Building Materials F2.3.1

Subject to the following conditions and limitations:

1. Shall only be applied to buildings subject to non-specific design under floor slabs complying with NZS 3604:2011 Timber-framed buildings; and
2. Shall only be applied behind concrete masonry basement walls and under floor slabs complying with NZS 4229:1999 Concrete masonry buildings not requiring specific engineering; and
3. Shall only be applied to buildings subject to specific design with substrates of in situ or precast concrete complying with NZS 3101:2006 Concrete Structures, or concrete masonry complying with NZS 4230:2004 Design of reinforced concrete masonry structures.
4. Novabond F.C. 200 shall only be stored, installed and maintained as per the Jaydex Application Guide Novater V3, November 2019.
5. Installation shall be by Jaydex licensed applicators.

- This certificate is issued by an independent certification body accredited by JAS-ANZ, the product certification body appointed by the Chief Executive of the Ministry of Business, Innovation and Employment under the Building Act 2004. The Ministry does not in any way warrant, guarantee, or represent that the building method or product the subject of this certificates conforms with the New Zealand Building Code, nor accept any liability arising out of the use of the building method or product. The Ministry disclaims to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages, and costs arising as a result of the use of the building method(s) or product(s) referred to in this certificate.
- The certificate holder must maintain compliance with the conditions set out in section 15 of the Building (Product Certification) Regulations 2008. This certificate may only be reproduced in its entirety. It is advised to check that this certificate is currently valid and not withdrawn or suspended by referring to the Register of Product Certificates on the Building Performance website <http://www.building.govt.nz>.
