

PART ONE

Application for determination

Section 178, Building Act 2004

Part One is equivalent to Form 14 in the Building (Forms) Regulations 2004

- ☐ **You are legally able to do so** – you must be a ‘party’ to the determination as defined in section 176 of the Building Act 2004 (Building Act) (refer to section D for who can be a party).

- ☐ **You have the correct form** – This form relates to all other matters that can be determined, but not powers exercised during an emergency or designation under section 133BC (refer to section G for what matters this form is for). Complete application Form 14A for determinations that can consider decisions relating to building affected by emergency and when a designation under section 133BC of the Building Act is in place.
