About this determination

Date issued	7 December 2018
Primary Building Code clause:	G12 - Water supplies (https://www.building.govt.nz/building-code-compliance/g-services-and-facilities/g12-water-supplies/)
Primary topic:	Alterations to existing buildings (https://www.building.govt.nz/resolving-problems/resolution-options/determinations/determinations-issued/?keyword=&topic=Alterations to existing buildings&action_doSearch=Search#results#)
Council:	Masterton District Council
Section of the Building Act:	112

Summary

This determination considers the installation of a tempering valve to an existing hot water system in a house that was being altered: the alteration involved the replacement of both a wood burner and wetback water heater. A tempering valve was installed as part of the alteration and the determination considers the compliance of the existing hot water system to the extent required by section 112 of the Act.
