Primary topic:

Plumbing - drainage and pipework (https://www.building.govt.nz/resolving-problems/resolution-options/determinations/determinations-issued/?keyword=&topic=Plumbing - drainage and pipework&action_doSearch=Search#results#)

Council: Kaipara District Council

Section of the Building Act: 96

Summary

This determination considers the authority's refusal to issue a certificate of acceptance for plumbing and drainage work that was carried out without building consent. The plumbing and drainage work was installed to convert the shipping container for use as a mortuary and connects to an existing foul water drainage system that services a dwelling on the property, which in turn connects to a septic tank and evapotranspiration bed.
