### About this determination

---

Date issued: 23 December 2019

Primary topic:

[Building Act Interpretation \(https://www.building.govt.nz/resolving-problems/resolution-options/determinations/determinations-issued/?keyword=&topic=Building Act Interpretation&action\\_doSearch=Search#results#\)](https://www.building.govt.nz/resolving-problems/resolution-options/determinations/determinations-issued/?keyword=&topic=Building Act Interpretation&action_doSearch=Search#results#)

Council: Auckland Council

Section of the Building Act: 100, 101,102A, 102, 103

---

### Summary

**Note: This determination is subject to appeal.**

This determination considers whether the owner of a cable car built in 2000 (servicing the owner's house) was required to obtain a compliance schedule for the cable car, given there was no such requirement when the cable car was built. The determination also considers how to interpret the requirement for the compliance schedule to include performance standards for the cable car.
